Highlights of today's call

I plan on reviewing it but will be quite pressed with Bristol Bay stuff due at the same time. I doubt I will be around for the final final so maybe Matt should collaborate. What do you think Matt? Do you have time?

Subject: Fw: Greens Creek EIS - NEWS!! Summary and Highlights of today's call

Hi Phil and Matt, I wasn't sure if you both were planning to be involved in this or Phil if you were still planning on it? It will be good for us to state whether or not their responses to our 404 comments resolve our issues or what issues we believe should remain on record.  
We should have electronic access to the pre FEIS on Monday.

Thanks so much!  
Lynne
